Sir,

I have the honor to state that Mr. Paramasiva Iyer, General Assistant Commissioner, in his memo No. 4 Dated 30th ult last, recommended the establishment of a Municipal Board in the village of Basavapatna Arkalgud Taluk. Whereupon, the Amildar was asked to submit the necessary statement and to record the consent of the villagers to pay municipal taxes

2 The total annual in

income and expenditure of the proposed Municipality ——— are estimated at Rs 616 and Rs 315, respectively, as details in the statement enclosed. —

3 ——— The question of public works to be executed will be determined in due course and proposals submitted. —

4 ——— The population of the village is 1542 and the number of houses is 357, as particulars in the margin. —

houses 276.

351.

5 ——— The establishment of a Municipal Board at the place is very desirable, considering the fact that the village is situated on the Salipram Mysore Road and is growing in importance. The need there for better sanitation is very much felt

6 — Under these circumstances, I beg that you will be so good as to obtain sanction of Government to the proposal, as almost the whole of the villagers have consented to the establishment of a Municipal Board there and executed a Mutchalika to that effect.

7 — The Vernacular papers regarding with Archaeological Surveyor's report No 114 Dated 21st March, are submitted for reference and kind return.

8 — The names of members will be submitted on receipt of Government's sanction to the proposal.

To,
The Secretary to the

General & Rev: Departts.

Sir,

With reference to your Docket No 14365 dated 4th May last (G.L.2) K.F. 341-96 calling for a further report in regard to the formation of a Municipality at Basavapatna in the Arkalgud Taluk, I have the honor to state that there are at Basvpt. competent persons to serve on the Board. Including the Shanbhog of the place, who will be the presiding Executive Head, six persons are proposed to be appointed as members.

2. Though the Estimate under House Tax gives an average of more than a rupee and a quar

few houses; yet the tax is not likely to be felt as heavy as the people are well to do and owns a good number of large tiled houses capable of yielding the necessary revenue.-

3. The Sanitation of the villages can be attended to from the District Funds, if at least Rs. 240 were to be spent annually towards the pay of four Sweepers; but considering that there are many villages in the District in need of Sanitary improvements, I think it is not possible to grant this sum annually from the District Funds to this village alone.-

4 The remarks passed regarding the Kalgud Holidays to be from the 2nd Instant, are submitted for reference

I have the honor to be
